Who can ride the Connector

Anyone from the towns served can travel between or within these towns. Children age 12-17 may ride alone with written parental permission. Rides are scheduled on a first-come, first-served basis and subject to driver availability.

You've got a lot of places to be, but as a car-free commuter, getting there isn't easy. With the Quaboag Connector, you'll get from point A to point B safely and on time so you don't miss out on the things that matter.

Experience Freedom and Opportunity with the Quaboag Connector

Affordable and Reliable Transportation for Car-Free Commuters

Car-free commuters need a safe and reliable way to get to work, educational opportunities, medical care, and community activities. However, limited, costly or unreliable transportation options can cause frustration and exclusion. We believe everyone deserves access to reliable

transportation, which is why we have established a community transportation service dedicated to providing affordable and dependable transportation for the people of the Quaboag Valley.

Our experienced drivers are dedicated to providing you with a safe and comfortable trip. Our vehicles are well-maintained and equipped with the latest safety features. Plus, our convenient one-call booking makes it easy to plan your trip.

Here's how it works

- 1 Choose your destination and schedule your trip by calling (413) 544-3401.
- 2 Board one of our safe and well-maintained vehicles.
- 3 Arrive at your destination safely, comfortably, and on time.

Don't let limited transportation options hold you back. Book your ride with the Quaboag Connector and experience the freedom and opportunity that affordable and reliable transportation can bring.

The Quaboag Connector is proud to serve Belchertown, Brookfield, East Brookfield, Hardwick, Monson, North Brookfield, Palmer, Ware, Warren, and West Brookfield.

When the Quaboag Connector can't get you all the way there

The Quaboag Connector is designed to meet many everyday travel needs, but there are times when our hours or service area may not be the right fit. If that happens, there are options that can help you continue your trip or plan transportation outside the Connector's coverage area. See where you can go at RideConnector.org/GetThere.
